Essential Inputs mandatory for all Classroom Program Students which are extremely important alongwith classes for better result.						
Each of FIITJEE Classroom Program is complete in itself, which gives the most exhaustive self sufficient study material complementing the classroom teaching, adequate number of assignments designed on the basis of fundamentals search or concept allocation basis. On this premise original questions are created by the FIITJEE team by compounding various concepts to weave and create new unique challenging problem. A very adequate number of tests are administered in the form of quizzes, class tests, phase tests and All India Internal Test Series. Each of our test are created keeping an objective and mission in mind. All tests are followed by "Test Analysis and Concept Strengthening Session"#. Our Teachers have enough time to give extra classes and doubt clearing session for those who need and deserve it. FIITJEE is the only institution with Pan India network, therefore even our All India Internal Test has excellent All India Rank Prediction. However the following programs have proved to be extremely useful to our classroom program students ever since their creation:						
1. Computer Based One Year All India Test Series - The Original One : Preparing well for JEE (Main) & JEE (Advanced) is one thing and transforming the knowledge & skills into success on the JEE day is another. Many students are not able to adopt the right approach and proper examination temperament, as they do not have the right feedback on their preparation. If you fail in JEE (Main) & JEE (Advanced) it is a permanent loss, which is irreparable, and mistakes committed are incorrecible. Test Series will teach you how not to fail. It is an opportunity for you to ensure that you convert your skills into success on the JEE day.						
2. Grand Masters Package (GMP) - The Ideal Tool for Ultimate Finish: An exclusive fundamentals search based package of 1700 Top quality problems on new JEE pattern testing your understanding of the subject. It covers all aspects of JEE problem solving techniques. GMP is basically designed for Students to help them revise, consolidate and polish their knowledge & skills in just 4- 5 weeks.						
3. Online Test Series - Learning Through Assessment - Not Simply an Online Test Series : Important National Level Exams are slowly and steadily shifting into online pattern. Online Test Series has been proven to be extremely useful for NTSE, JEE(Main), JEE (Advanced), BITSAT and KVPY.

Batch Commencement : For Exact Batch commencement date Please contact your respective FIITJEE Study Centre
End of Session (completion of JEE Syllabus): 1st Week of February, 2023.

Thereafter what follows is quest for Rank Improvement. On completion of Session, students will experience a Rigorous Rank Improvement Program, Inter alia, the following:

1. Concept wise analysis of all subjects for each student is done and a strategy for achieving extra ordinariness in every topic is created. 2. Execution of strategy made in point 1. 3. Extensive coverage of Additional Topics, for JEE (Main), which are not part of JEE (Advanced) syllabi. 4. Adequate number of tests are administered followed by analysis and concept strengthening session. All tests are held in exacting IIT-JEE environment. However if you are interested, you can take support for BITSAT.
+*With effect from 1 July 2017, Goods and Service tax i.e. GST would be applicable in India. Accordingly, any additional cost resulting from enactment of "GST or any other law", towards leviable taxes, in respect of goods and services to be supplied, would be recovered from the students and would not be borne by FIITJEE Limited.
